

Authority

This standard has been approved by the Australian Health Workforce Ministerial Council on 31 March 2010 pursuant to the *Health Practitioner Regulation National Law (2009)* (the National Law) with approval taking effect from 1 July 2010.

Summary

All registrants applying for specialist registration will be required to have completed a minimum of two years general dental practice in addition to meeting all other requirements for general registration as a dentist. This general practice requirement may be achieved by experience outside Australia, subject to assessment and approval by the Board.

Scope of application

This standard applies to all applicants for specialist registration.

Requirements

All applicants for specialist registration must have completed at least two years of general dental practice.

Review

This standard will commence on 1 July 2010. The Board will review this standard at least every three years
